

Linear Regression

```
graph TD; A[Types of users chosen] -.- B[Linear Regression]; A -.- C[Sine Regression]; A -.- D[Linear sine regression];
```

A diagram with a central blue node at the bottom labeled "Types of users chosen". Three dotted lines radiate from this central node to three other nodes above it. The top-left node is red and labeled "Linear Regression". The top-middle node is orange and labeled "Sine Regression". The top-right node is yellow and labeled "Linear sine regression". Each node has a small icon of a document with a pencil to its right.
